2024-2025 UNIFORM CONTRACT

All students must come to school in Uniform each day. If a student arrives at school without a uniform, parents/guardians will be called and asked to bring the proper uniform. Infractions will also be issued for not consistently adhering to uniform policy and will be subject to discipline, including Detention.

School uniforms are required for several fundamental reasons:

Uniforms unite us as a community. Looking at a group of students in Uniform is a powerful visual statement of our community. Students commit that when they wear their Uniforms, they agree to live up to the school's high expectations.

Uniforms reduce distractions and clothing competition. Often, students spend more time discussing and evaluating what others are wearing or not wearing than focusing on learning. Wearing uniforms eliminates this distraction.

Uniforms make us all equal. We all have the same mission. We are all going to college. We all come to school looking the same way.

Uniforms look professional. Students look neat when they arrive at school with shirts tucked into their pants. The students come mentally prepared for school and "dressed for work."
